We have the following policies and procedures in place to support us in our quality goals and align with our quality system

- Regular gathering and monitoring of customer feedback
- A strict corrective and preventative action procedure
- Selection and performance monitoring of the entire supply chain
- Continuous training and development of employees
- We comply with all legal, regulatory and contractual requirements, ensuring fairness, diversity, and non-discrimination in recruitment.
- Regular quality audits of our internal processes
- Measurable quality objectives which reflect our business aims
- Management reviews of audit results, customer feedback and complaints

Our internal procedures are reviewed regularly and are held in our Quality Management software which is made available to all employees.

Management has the ultimate responsibility for Quality, but we ensure all employees understand their responsibilities within their own areas of work to help ensure that Quality is embedded with the whole company.

This policy applies to Chandler Macleod branded businesses within the scope of our ISO 9001:2015 certification.
